Program Overview

July 16, 2009 - Help Wanted - Foster and Adoptive Families

Two Foster Care Specialists from the Erie County Department of Job and Family Services addressed the Rotary Club. Erie County Children Services is looking for foster and adoptive families with homes in Erie County. The Agency wants to keep the children in the same schools, churches, communities and activities that the children experienced before coming to the Agency. If you or a friend or a neighbor has an interest, call 419-626-6781 extension 6305.

And finally, if you want things published in future Rotagrams, e-mail them to me.
