Program Overview

Dec. 3rd – Media and Journalism in Today's Society by Doug Phares.

Doug reviewed the societal trends impacting how people use information and how the huge increase in channels (Cable, Internet, Radio) overwhelms the user while diluting the income used to support professional journalism.

A key point of his presentation was urging people to find credible sources of news and information, not just ones that are entertaining.

Dec. 10th – Rotary Christmas Program at Plum Brook Country Club.

Those in attendance enjoyed good food and excellent music and songs provided by the Sandusky High School Bell Choir and KeyNotes plus the exceptional music from the Perkins High School Brass Ensemble.

Dec. 17th – Twelve Days of Christmas.

Santa and his Elves visited the Club's luncheon meeting and led the members in singing the Twelve Days of Christmas. It was boisterous and fun, but no audition invitations will be forthcoming.
